SUPPORT LOS ANGELES UNION GARMENT WORKERS

Sign Up With Our QR Code Below to Get Involved!

There's more to ethical merch than just a union bug.

Let's talk about what really supports our movement:
Union-made. Union-paid. Worker-led.

We're building something new in Los Angeles, and we want you involved.

Whether you're repping your local or standing in solidarity, your voice matters.

Join us in an effort to lift up workers and strengthen union power in LA's garment industry.
